

Have you thought about school supplies for next year? No worries, we have!!!!!!

The Belle Aire PTA has partnered with Shane’s in Downers Grove for the 2017-18 school year to provide school supply kits that include the supplies requested by their teacher. Please review the [supply lists](#) by grade level at <http://dg58.org/ba/registration-forms/> to ensure you provide for items not included in the kits: backpack, lunch box, gym shoes, art shirt, headphones and/or poster board.

If you would like to participate in this program, you can order online from www.eshanes.com/schoolkits. You can also complete this form and return it to school, along with a check made out to **Belle Aire PTA** by June 9th.

Please note that because of any currently unknown changes in teacher assignments from this year to next, parents may be asked to purchase supplies that were not included in these kits or children may not need some supplies.

- Order your supply kit by online at www.eshanes.com/schoolkits
- **Enter school code BA58**
- **FREE** pickup on Belle Aire Registration Day in August if ordered before June 15th
