

Belle Aire Elementary's 50th Anniversary Fun Run

July 2019

Plans are underway for the Belle Aire Bulldog Fun Run. This year, we will be celebrating Belle Aire's 50th Anniversary all year long. Our 5k run will be held on Sunday, October 6th. Family, friends and neighbors will gather to raise funds for Belle Aire Elementary School in Downers Grove.

As Belle Aire's major fundraising event, proceeds generated from the Fun Run will support the PTA efforts which include educational programs, field trips, school events, learning and special fitness programs. It is also a great way to promote health and wellness amongst our students.

All participants will receive a race day bag with an official race t-shirt and sponsor-provided materials. Sponsors are encouraged to provide advertisements, coupons good for their business, or any other promotional items of their choice, to be included in our race day bags.

Please consider making a tax-deductible donation and help us make this year's Fun Run a great success!
