

READ WITH RUSTY

Go on a reading power play with the Chicago Steel Hockey Team!

The Read with Rusty program returns this fall! The 6-week reading power play is open to children in Grades K-6 and is designed to promote a lifelong love for reading, literacy, and hockey through partnerships with local libraries and schools.

Read with Rusty encourages children to read outside the classroom by rewarding them for reaching their goals over the 6-week timeframe from **Saturday, October 5 (Steel Opening Night)** to **Friday, November 15**. Students that achieve their reading goals will receive a complimentary ticket to a Chicago Steel hockey game (USHL) at Fox Valley Ice Arena. On the night of the game, club members can join Steel Mascot Rusty and a player or coach for a pre-game reading session, plus all members will receive a Chicago Steel 20th Season Drawstring Bag and participate in post-game autograph signing.

The recommended reading goal is one period of 20 minutes five days per week totaling 600 minutes (this may be adjusted by parent/guardian).

To redeem your complimentary ticket and to order extra family tickets, please visit our website at: <http://belleairepta.com/programs/autumn/read-with-rusty> to complete the online verification.

The required reading log is due to the school office by December 6.

MY READING SCOREBOARD

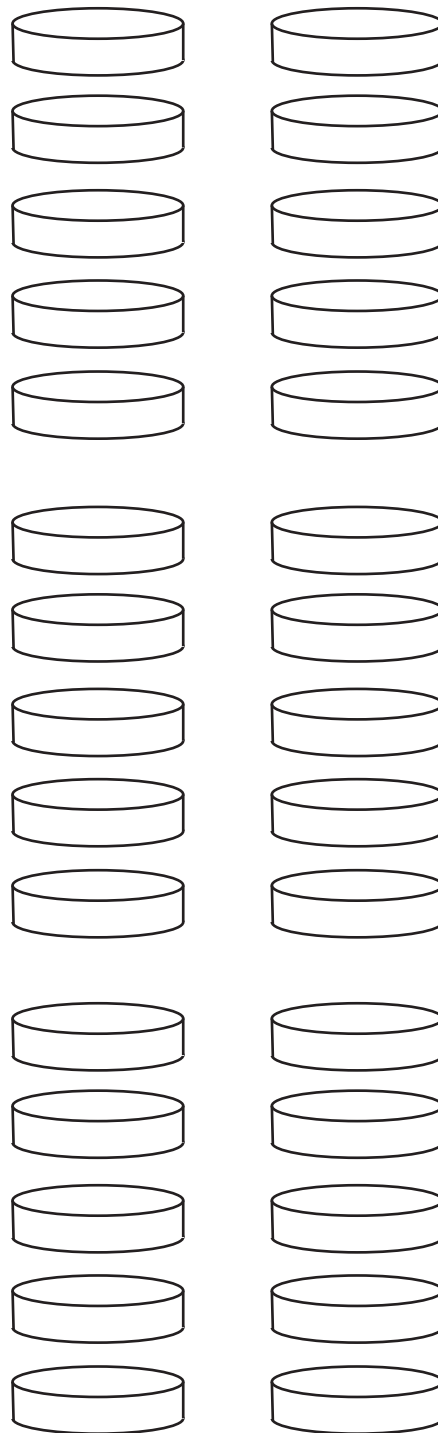

Each Hockey Puck equals 20 minutes. To reach the 600-minute mark, we recommend logging 20 minutes per day for five days per week each period. Parents/Child please initial, date, and color in each puck for every 20 minutes.

Here's What I Read!

| 1ST PERIOD | | OCT 5- OCT 18 |
